Our Mission Statement

To provide a pleasant social network for the community of Rowan University AFT Retirees by holding regular meetings throughout the academic year, by creating a variety of outreach activities, and by establishing educational incentives, such as scholarships for deserving students.

Why Join this Group

You have much in common with this group, from the colleagues of your own College to those across the University, you will meet old friends and make new ones. You will have a connection with the professional life from which you have retired, plus find a support group with whom to share your thoughts, questions and concerns. And have a good time!

What we have Accomplished

One of the most admirable of our accomplishments are the multiple scholarships we award each year to deserving students. At our meetings our programs are both entertaining and informative, touching on topics of interest to us. Our group provides answers and suggestions to resolve issues such as our pensions and our rights as retirees, such as using the library.

Our Goals for the Future

We will continue to meet with our retirees on a regular basis, to award scholarships and other forms of assistance for deserving students, and distribute an informative newsletter to help keep us connected. See our Key Objectives elsewhere in this brochure for additional details.

A Brief History of the Chapter

The Retirees Chapter was founded in 1987 after seeking permission from AFT Local 2373. Al Taylor was elected first president and served until 1991. Kay Queeney was the second president and served until 1993.

The third president, Rose Glassberg, was elected in 1993 and served until 2021. A reception in honor of her 25th year as president was held on September 5, 2018, with campus-wide attendance, accolades and dignitaries.

During Dr. Glassberg's tenure spanning 28 years, the Chapter expanded its vision from primarily a social club to a proactive organization, with rights of retirees and needs of students foremost in mind. She also initiated the Chapter's newsletter *AFTERwords* and the *Members Directory: Crossing Bridges*, both of which became award-winning publications.

Serving on the Executive Committee for many years with Rose Glassberg were Ed Wolfe, Vice President, John Gallagher, Treasurer, Fran Mitchell, Secretary, Bill Garrabrant, Recording Secretary, Mel Moyer, Officer at Large, and Toni Libro, Communications.

Harold Sahm was first elected as Executive Vice President and then took the helm as president in 2021, with the newly elected Executive Committee. Now meetings are held not only in-person on campus, but also virtually, via Zoom, so that all members can attend, whether they live near or far. In Unity!
